Dr A.K. Singh, Dr Anil Kumar and Mr Devideen Yadav could not attend the meeting due to pre-occupation.

At the outset, Dr Ahlawat, Convener of the committee extended a warm welcome to the members of the committee and briefly explained the purpose of this meeting. The issue of menu for High Tea, Lunches and Dinners during the period of congress was discussed and deliberated in detail. Finally, the tentative menu was listed date-wise from the list of the food items supplied by the event manager. The menu comprising number of food item was based on the tender document, except some minor changes. It was decided to discuss the entire issue of menu and the number of lunches and dinners to be provided to the delegates of the congress with the President. Thereafter final listing will be done and the event manager will be asked to revise the rates depending on the changes in menu of lunches and dinners. There was a general opinion among the committee members that we must provideveg. lunches on all days, and the dinners depending upon the finances available with the society. There seems some scope to cut down the items and reduce the cost per pack both in lunch and dinner.

During the meeting, event manager was also present. He was advised not to compromise under any circumstances with the quality of food to be served to the delegates.

The meeting ended with vote of thanks to the chair.
