Sub: Request to suggest/ideas for theme of the International Agronomy Congress
November 2021-reg.

Dear Sir/Madam,

As per the decision taken in the last meeting of Executive Council (EC) of Indian Society of Agronomy held dated on 18 July, 2020 at, New Delhi through google meet, it was decided that Indian Society of Agronomy should organize **5th International Agronomy Congress during November, 2021 at PJTSAU, Hyderabad, Telangana.** For this, we would like to request all of you kindly give your suggestions/ideas for theme of the Congress with consideration of current agricultural environmental concern, farmers' income and food security having global perspective. Your suggestions in terms of title and sub-title in 03 to 05 bullets only will be highly appreciated. We request all of you to kindly send your valuable suggestion by 31st August 2020 so that we can compile the view and process it for further needful.

Thanking you in advance and looking forward for your most valuable suggestion.

With regards

Yours sincerely

(Dr V.K. Singh)
